Woodmead

The Woodmead property spreads across 236 hectares and is home to our two superb golf courses. The natural resources have been blended to create a harmonious balance between nature and the urban development surrounding the estate.

The **Aviary** is the main Woodmead venue and has incredible views over the course and gardens. The floor to ceiling sliding doors lead onto a magnificent wrap-around balcony and the adjoining patio and bar is the perfect location for welcome cocktails.

The Aviary is made up of three rooms, **Kingfisher**, **Barbet** and **Starling**, and can comfortably accommodate up to 270 guests. The neutral colours are versatile and work brilliantly with any décor, offering a multitude of design options. This room truly comes to life with every unique wedding set up.

The **Pool Pavilion**, with breath-taking views of the city, allows for the perfect backdrop on your wedding day. The venue can accommodate up to 130 guests and is situated away from the main clubhouse which offers privacy for you and your guests

Look for a celebration of up to 600 guests? Then the **Field Area** is the perfect location. This venue has the ability to host both the ceremony and the celebration with a great backdrops.

The **Viewing Deck**, located in a secluded location, sits upon an old formation of boulders and rocks. From here, one has a 180 degree view of Johannesburg and offers the perfect sunset. This venue is perfect for a small, intimate ceremony of up to 10 guests.

The Bride and Groom have the opportunity to be taken to private locations near the golf course for photos. The surrounding acacias and magnificent boulders provide an exciting backdrop for exceptional, bush-like shots. Photographs may only be taken on specified areas of the golf course.

Guests can be welcomed with cocktails and canapés as they take in the landscape of the famous Woodmead Golf Estate.
